The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**ELECTION OF THE THIRD MEMBER OF THE BOARD OF INVESTMENTS
AND
THE THIRD MEMBER OF THE BOARD OF RETIREMENT
(ALL DISTRICTS)
(3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the attached resolutions establishing the procedures to elect the Third Member of the Board of Investments and the Third Member of the Board of Retirement of the Los Angeles County Employees Retirement Association (LACERA) for a three-year term expiring December 31, 2009; and instruct the Acting Executive Officer of the Board of Supervisors to send notice of the elections and copies of the election resolutions to all County Departments that employ General Members of LACERA.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The County Employees Retirement Law of 1937 provides for the membership of the Board of Investments and the Board of Retirement of LACERA. Every year, the Board of Supervisors adopts by resolution the election procedures for members of the Board of Investments and the Board of Retirement of the Los Angeles County Employees Retirement Association, whose terms of office will expire on December 31st of that year.

The Honorable Board of Supervisors

This year, the terms of office for the Third Member of the Board of Investments and the Third Member of the Board of Retirement will expire on December 31st. Accordingly, an election must be held to elect individuals to these offices for the three-year terms expiring on December 31, 2009.

Implementation of Strategic Plan Goals

Approval of the attached resolutions broadly supports the County Strategic Goals of Workforce Excellence and Fiscal Responsibility.

FISCAL IMPACT/FINANCING:

The cost of these elections is estimated at \$385,000 based upon prior elections conducted by the Registrar-Recorder/County Clerk. The total eligible voting population in these elections is approximately 77,000 persons.

The cost of conducting the LACERA elections is included in the Registrar-Recorder/County Clerk's budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

Government Code Sections 31520.1 and 31520.2 grant the Board of Supervisors the authority to conduct the elections for the elected members of the Board of Investments and the Board of Retirement. Your Board has given the Executive Officer the responsibility for coordinating these elections with the Registrar-Recorder/County Clerk, LACERA and with County departments through departmental election coordinators.

The elections for the Third Members of the Board of Investments and Board of Retirement are regular elections to fill terms of office that expire in December of this year. The General Members of LACERA are eligible to vote in these elections.

IMPACT ON CURRENT SERVICES:

Besides the evident need to fill these offices on the Board of Investments and the Board of Retirement, these elections provide an opportunity for County employees to participate in selecting board members whose official decisions have a great impact on their own retirement system. Thus, County departments will be strongly encouraged to adhere to these election procedures and ensure that any communication from the Executive Officer concerning this election is posted and/or distributed in a timely manner. As always, departments will be called upon to respond immediately to situations that may surface. It is important to emphasize the integrity of these elections often rests with a department's cooperation and active participation in the election process.

Respectfully Submitted,

The Registrar-Recorder/County Clerk shall commence a recount no later than Tuesday, August 22, 2006. In the event the recount results in a determination that the candidate who requested the recount has received a plurality of the votes cast, all money deposited shall be returned to the candidate. The recount conducted by the Registrar-Recorder/County Clerk shall be open to the public.

27. In the event any candidate desires to protest the results of the election, he or she must file a written protest with the Executive Office of the Board of Supervisors no later than 5:00 p.m., Tuesday, August 15, 2006. The written protest must specify the grounds for the protest and be accompanied by supporting documentation.

The person receiving the highest number of votes shall be declared elected. In the event two or more persons tie for first place, such persons shall determine, by drawing lots before the Board, which of them shall be elected.

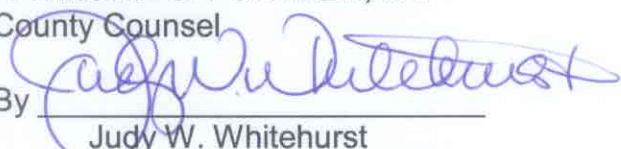

29. In lieu of declaring the results official, the Board of Supervisors may order a new election if the Board determines, on the basis of written protest or on its own motion, that any error, omission or neglect occurred attributable to the County in the administration of the election sufficient to change the result. The rejection of a candidate's statement of qualifications by the Registrar-Recorder/County Clerk, or the failure of the Registrar-Recorder/County Clerk to reject a candidate's statement of qualifications, shall not constitute grounds for a new election. Allegations of candidate misconduct shall not constitute grounds for a new election, but, if later substantiated, may lead to imposition of administrative discipline or criminal culpability.
30. Election material retained by the Executive Officer of the Board of Supervisors and nominating petitions and ballots retained by the Registrar-Recorder/County Clerk may be discarded or otherwise disposed of sixty (60) days after the date of the final declaration of the election results by the Board of Supervisors.

POWERS AND DUTIES OF INVESTMENTS BOARD MEMBERS

The Board of Investments provides this summary to enable voters to evaluate candidates for the Board of Investments. The Board urges voters to review this summary prior to voting.

The Board of Investments has two (2) primary responsibilities; the investment of LACERA's Retirement Fund, and the determination of County and member contribution rates.

The Board of Investments has exclusive control of all retirement system investments and is responsible for establishing investment objectives, strategies, and policies. LACERA's investment portfolio is, with very minor exceptions, externally managed. The Board does not make individual investment selections; for the externally managed portfolio; rather, it selects investment advisors and managers to make investments for LACERA in accordance with investment objectives and guidelines established by the Board. In addition, the Board of Investments and its staff continually monitor and evaluate the investment activities and results of its advisors and managers.

Investment Board members act as fiduciaries for LACERA and its members. Board members have a constitutional and statutory duty to "diversify the investments of the system so as to minimize the risk of loss and maximize the rate of return, unless under the circumstances it is clearly not prudent to do so." These duties require members of the Board of Investments to spend substantial time educating themselves and staying current on investment matters. This is accomplished through attendance at courses such as the "Fundamentals of Money Management" course conducted by the Wharton School of Economics, and at conferences and seminars held throughout the year. A newly elected member of the Board should expect to devote considerable time and effort in gaining the education and expertise necessary to carry out his or her important responsibilities.

Using an actuarial valuation process, the Board of Investments determines the level of contributions necessary to fund retirement benefits. The Board of Investments is responsible for setting actuarial valuation policies, selecting the actuary who will perform the valuation, and for approving the actuarial valuation services provided. At least every three years, the actuary submits to the Board of Investments for the Board's approval such changes in County and member contribution rates as are necessary to fund retirement benefits.

The Board of Investments shares some responsibilities with the Board of Retirement. The Boards of Retirement and Investments, acting jointly, adopt the annual budget covering LACERA's operations. Additionally, the two Boards act jointly in employee relations matters, including the approval of class specifications for LACERA employees, the approval of Memoranda of Understanding (MOU's) negotiated with SEIU Local 660, the union bargaining for represented employees of LACERA, and the approval of compensation to be provided to LACERA's nonrepresented employees.

The Board of Investments meets on the second and fourth Wednesday of each month, with meetings generally lasting from 4 to 6 hours. Special meetings may be held from time to time. In addition to the time required to attend meetings, Board members must review materials prior to the meeting. Such review and preparation may require several hours prior to the meeting. Under Government Code Section 31522, as to those elected Board members who are also employed by the County or a participating district, their LACERA duties are included as part of their County or district employment.

The Board of Investments cannot grant benefit increases and is not responsible for the administration of retirement benefits. The Legislature has assigned the administration responsibilities to the Board of Retirement.

APPROVED BY THE BOARD OF INVESTMENTS ON FEBRUARY 8, 2006.

22. The Registrar-Recorder/County Clerk shall maintain internal controls to ensure that no more than one vote is cast per member to protect the integrity of the election.
23. To be eligible for counting, ballots shall be returned to the Registrar-Recorder/County Clerk in the envelope provided via U.S. Mail or personal delivery; shall be completed by each voter with his or her employee number, printed name and signature in the space provided on the reverse of said envelope; and shall be received by the Registrar-Recorder/County Clerk by 5:00 p.m., Tuesday, August 8, 2006. There are no provisions for write-in candidates; therefore, no write-in votes shall be counted.
24. The Registrar-Recorder/County Clerk shall canvass the votes cast at the election and shall certify the results to the Board of Supervisors on or before Friday, August 11, 2006.

25. The Registrar-Recorder/County Clerk shall (a) telephone each candidate receiving more than 20 percent of the total vote cast at his or her telephone number provided as to the results as certified on or before Friday, August 11, 2006; and (b) send written notice of the results via U.S. Mail to each candidate's mailing address on or before Friday, August 11, 2006.
26. In the event a candidate makes a request for a recount of the election results, the requestor shall bear the cost of such a recount. A written request for a recount shall be filed with the Registrar-Recorder/County Clerk no later than 5:00 p.m., Tuesday, August 15, 2006. The candidate filing the request for the recount shall, before the recount is commenced and at the beginning of each day following, deposit with the Registrar-Recorder/County Clerk a sum as required by the Registrar-Recorder/County Clerk to cover the cost of the recount for that day. The Registrar-Recorder/County Clerk shall commence a recount no later than Tuesday, August 22, 2006. In the event the recount results in a determination that the candidate who requested the recount has received a plurality of the votes cast, all money deposited shall be returned to the candidate. The recount conducted by the Registrar-Recorder/County Clerk shall be open to the public.
27. In the event any candidate desires to protest the results of the election, he or she must file a written protest with the Executive Office of the Board of Supervisors no later than 5:00 p.m., Tuesday, August 15, 2006. The written protest must specify the grounds for the protest and be accompanied by supporting documentation.

28. The Board of Supervisors at its meeting on Tuesday, August 29, 2006, or on a date following the completion of any recount, shall declare the results official. The person receiving the highest number of votes shall be declared elected. In the event two or more persons tie for first place, such persons shall determine, by drawing lots before the Board, which of them shall be elected.
29. In lieu of declaring the results official, the Board of Supervisors may order a new election if the Board determines, on the basis of written protest or on its own motion, that any error, omission or neglect occurred attributable to the County in the administration of the election sufficient to change the result. The rejection of a candidate's statement of qualifications by the Registrar-Recorder/County Clerk, or the failure of the Registrar-Recorder/County Clerk to reject a candidate's statement of qualifications, shall not constitute grounds for a new election. Allegations of candidate misconduct shall not constitute grounds for a new election, but, if later substantiated, may lead to imposition of administrative discipline or criminal culpability.
30. Election material retained by the Executive Officer of the Board of Supervisors and nominating petitions and ballots retained by the Registrar-Recorder/County Clerk may be discarded or otherwise disposed of sixty (60) days after the date of the final declaration of the election results by the Board of Supervisors.

31. The Executive Officer of the Board of Supervisors may, in the exercise of her discretion, implement additional procedures as she may deem necessary in order to preserve a fair and equitable election process. The Executive Officer of the Board of Supervisors shall, within ten (10) days, notify the Board of Supervisors, the Boards of Investments and Retirement and all candidates of any additional procedures implemented pursuant to this provision.

**POWERS AND DUTIES
OF RETIREMENT BOARD MEMBERS**

The Board of Retirement provides this summary to enable voters to evaluate candidates for the Board of Retirement. The Board urges voters to review this summary prior to voting.

The overall responsibility of the Board of Retirement is to administer the retirement system. This requires the Board to meet twice each month. Board meetings generally last from 4 to 6 hours. In addition, the Board has established several committees to assist in carrying out its responsibilities. Some committees meet monthly; others meet every other month. In addition to the time required to attend a meeting, considerable time is required to review materials and otherwise prepare for the meeting.

The general management of LACERA is under the Board of Retirement's direction. A few functions, however, are shared with the Board of Investments. The Boards of Retirement and Investments, acting jointly, adopt the annual budget covering LACERA's operations. The two Boards must also act jointly in employee relations matters, including the approval of class specifications for LACERA's employees, the approval of Memoranda of Understanding (MOU's) negotiated with SEIU Local 660, the union bargaining for represented employees of LACERA, and the approval of compensation to be provided to LACERA's nonrepresented employees.

One of the most important - and by far the most time consuming - duties of a Board member is to review disability retirement applications and to participate in the Board's decision to grant or deny disability retirements. In any given calendar year, the Board of Retirement processes approximately 500 disability retirement applications. A Board member is obligated by law to carefully review each application and the medical evidence supporting the application. A Board member will be required to spend a significant amount of time each month in carrying out this important responsibility. The Board member must then participate in the Board's deliberations and vote on the application. Under Government Code Section 31522, as to those elected Board members who are also employed by the County or a participating district, these LACERA duties are included as part of their County or district employment.

The power of the Board of Retirement to provide benefits is limited. The Board of Retirement administers a statutory retirement plan. This means that retirement benefits can only be provided if they have been authorized by the State Legislature in the County Employees Retirement Law of 1937, found in the California Government Code beginning at Section 31450. Retirement benefits not already authorized by the Retirement Law cannot be implemented by the Board of Retirement; rather, a bill must be processed through the Legislature to amend the Retirement Law. With only a few exceptions, the Legislature has required the County Board of Supervisors to adopt a resolution approving benefit enhancements before they can take effect.

The Board of Retirement is not responsible for the investments of the Retirement Fund. The Legislature has assigned that responsibility to the Board of Investments.

APPROVED BY THE BOARD OF RETIREMENT ON FEBRUARY 9, 2006.
